

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State/Territory: IDAHO

Requirements for Third Party Liability -  
Payment of Claims

- 4.22-B (1) Recipients with third party resources, Medicare or injury diagnosis claims will suspend in the system by use of the edit process. These claims are routed to the TPR unit for manual review. If the provider has not billed the third party, the claim is returned with instructions to bill insurance.
- (2) The Third Party Recovery Unit has a threshold amount of \$50.00 on injury related claims only. There is no threshold for claims with other identified resources.
- (3) On a monthly basis, a report is generated showing, in recipient ID number order, all claims paid during that month showing a trauma related diagnosis code and a billed amount of \$50.00 and under. If the total for any one recipient exceeds \$50.00, a TPR injury questionnaire is sent to the recipient. Also, reports are kept six months and compared at the end of the six month period to determine if, over the six month period, the total of paid claims for any one recipient exceeds \$50.00.
